The graphic features the Government of India logo at the top left. The background is yellow with faint virus icons. The text describes the app's purpose and features. A central diagram shows three interconnected hexagons: 'Available in 11 languages' (teal), 'privacy-first by design' (pink), and 'data shared is encrypted and secure' (green). A white button at the bottom says 'PLEASE DOWNLOAD AND INSTALL TODAY.'

**Government Of India**

Aarogya Setu – Government of India's mobile application aimed to connect health services and we, the people, in our combined fight against COVID-19.

Aarogya Setu empowers the users by informing about potential risk of infection through Bluetooth contact tracing; and equips people with self-assessment tools and contextual advice.

With Aarogya Setu, let us take a step forward to protecting ourselves and our family & loved ones

Available in 11 languages

privacy-first by design

data shared is encrypted and secure

PLEASE DOWNLOAD AND INSTALL TODAY.
