

Subject: Re: ICES Advisory 013/2017(GST) - Changes in BE/SB - Implementation of GST - Reg.

Dear All,

The Revised SB format would be effective from 28th July, 2017.

The Exporters needs to provide additional identifier like GSTIN or other additional identifiers. The IGST payment status would be "NA" since IGST has not been paid.

RES providers have already been informed and are ready with the changes.

Warm Regards,
